FLOOR WORK. The huge Raytheon building off Lowell street, is progressing through the major stages of construction. Here workmen are shown laying tile in the interior of the building. The permit for the new construction led all permits issued during 1969, a record year for industrial development in Andover.

Transitional School Budget Is Examined

A "transitional budget," pleasing to the ears of the school committee was discussed Tuesday night.

The budgetary demands for public education are up, naturally and as anticipated, but not as much as in past years.

The total increase in the proposed \$5,000,000 plus, reflects an increase of only \$803,000, as compared to increases of \$931,000 in 1969 and \$838,000 in 1968.

Dr. Kenneth R. Seifert, superintendent of schools, explained at the outset of the budget presentation, that this budget is in transitional in scope, and not reflecting some of the things he hopes to accomplish in the years ahead.

Seifert called the tentative 1970 budget a hold-the-line budget aimed at preserving educational quality while eliminating waste.

"This is not the year of the big thrust in Andover education," he told committeemembers, indicating that the real financial brunt of curriculum development and inservice teacher training would not be felt in 1970, though it is necessarily right around the corner.

Seifert told the TOWNSMAN Wednesday that he will ask for a second assistant superintendent either this year, or next year, to take primary responsibility for curriculum development and the inservice training of Andover teachers.

The superintendent said that the 1970 budget presented Tuesday was the result of dozens of meetings of principals and department heads who were asked to justify the department and school requests for

(Continued on Page 22)

Value Days On Weekend

Andover Value Days will be observed by downtown stores Friday and Saturday, Jan. 16 and 17.

The annual mid-winter sale which offers thousands of items at bargain prices, is being sponsored by the retail division of the Andover Chamber of Commerce.

Stores generally will be open Friday from 9 a.m. to 9 p.m. and on Saturday from 9 a.m. to 5:30 p.m.

Industry Featured '69 Building

(A TOWNSMAN Newsfeature)

This was \$6,000,000 more than a year ago.

Included in the total was completion of the Brockway-Smith-Haigh-Lovell plant off Dascomb road. The building was constructed at a cost in excess of \$1,000,000 and is now in complete operation.

The company manufactures door frames and window casings and other items for home and industrial use. It also has all its warehouse facilities here, having moved its complete operation to Andover from Charlestown.

During the year, the Gillette Toiletries Co., completed its building in Lowell Junction and became the town's top taxpayer. This building, also planned for

future expansion, is now in complete operation and manufacturing and producing the many men's and women's toiletries products shipped world-wide with an Andover address.

The building inspector's department, is one of the few in the community which is a self-sustaining operation. In other words, the town receives from the operation financial benefit. The fees collected more than offset the expense of running the department. The fees collected are turned over to the town treasurer and revert to the free cash account.

This year a record total of \$45,831.80 was collected in fees

Bassett Resigns Post, April 1

Donald J. Bassett, water-sewer superintendent in Andover since August, 1957, will resign from that post effective April 1.

His resignation was presented to Town Manager J. Maynard Austin and Chairman Robert A. Watters of the board of selectmen Wednesday.

Bassett, in announcing his intentions to leave the administra-

tive post said he had no immediate plans but emphasized that his decision in no way should be looked upon as "a sign of personal dissatisfaction with either the town or any of its associates."

He intends to seek employment in underprivileged communities to assist in the transmission of clean water.

Bassett came to the town as an assistant engineer in the public works department in 1955 and was named superintendent of the water and sewer department in 1957.

He is an engineering graduate of Northeastern University. In addition to his duties as head of the

Andover's Author

Poems Of Anne Bradstreet Published In Paperback

Anne Bradstreet, famous poet who lived in Andover in the 1600's is the subject of a new book, "Poems of Anne Bradstreet," issued in paper-back form by Dover Publications of New York City. It has been edited by Robert Hutchinson of New York with painstaking scholarship.

Anne Bradstreet was the first American poet and the first woman poet of any importance in the English language. This new edition of her poems includes "Contemplations," which records her thoughts inspired by the natural beauty of her surroundings in Andover -- in one instance as she sat on the bank of the Merrimack River. Also included is "Upon the burning of our house, 1666." The house was in what is now North Andover. The Bradstreets' library of over 800 volumes, a very large library for its time, was lost in the fire.

One book that escaped destruction was a small leather-bound volume containing Anne Bradstreet's only known manuscript,

with some forty pages in her own handwriting. She had given the book to her son Simon, who lived in Connecticut, some time before the fire. In 1955 this book was received as a gift to the trustees of the Stevens Memorial Library in North Andover, where it is preserved as one of the greatest treasures of American literary history. Photographs of pages of the manuscript are included in the new edition of the poems.

An ancient handwritten record of 1672, pressed between sheets of transparent silk and preserved in the Andover town hall, notes that Anne Bradstreet died on September 16 of that year. The location of her grave is unknown.

Many of Anne Bradstreet's best (Continued on Page 22)

Townsmen Executive To Moderate Panel

Prominent government officials will meet with the press here next weekend when the New England Press Association (NEPA) convenes for its 21st Annual Winter Convention, January 15-18, at the Sheraton-Boston Hotel in Boston.

Mass. Senator Edward W. Brooke will deliver the convention's major address Friday evening in the grand ballroom of the hotel. His remarks will be followed by Honorable Francis W. Sargent, Governor, Commonwealth of Mass., who is expected to extend greetings of the Commonwealth to the 500 convention delegates and their wives.

Senator Brooke and Governor Sargent will speak at the awards dinner where nearly 100 editors and publishers from throughout New England will receive awards in 23 categories.

Convention delegates will exchange ideas on contemporary approaches to community service and journalism through newspapers. A total of 14 panels and three meal functions will be held.

Raymond B. DeRuisseau, business and advertising manager of the Andover TOWNSMAN, will be the moderator for a panel discussion on "What Factors Should be Considered in Setting Ad Rates?"

Richard M. Diamond, of the Trumbull, Conn. Times will be the speaker.

Mr. DeRuisseau is a veteran in the advertising profession and has served as business and advertising manager for the TOWNSMAN for the past 20 years.

Also attending the annual convention will be Robert E. Finneran, managing editor of the TOWNSMAN.

Friday morning Harry Spanos, minority leader of the New Hampshire senate, will join with the publishers in discussing the responsibilities of editors to the community.

At a Saturday luncheon, Mass. Attorney General Robert H. Quinn, will discuss, "A Story on Narcotics."

The annual contest has become the largest in New England according to Lewis R. Greene, NEPA president and assistant to the publisher of The Westerly (R.I.) Sun. A distinguished panel of judges from throughout the country has selected the winners for outstanding achievement in news and feature stories, columns, editorial and editorial pages, photography, local advertisements, promotion events, sports coverage, community service, and special sections.

The local committee members are Mrs. Stephen P. Parson; Mrs. Peter McKee; Mrs. Lyman Bulard; Mrs. John C. Young; Mrs. Frank Eccles; Mrs. Clark Vaughn; Mrs. Robert L. V. French; Mrs. Philip Weld; and Mrs. John W. Kimball.

Summer Opportunities Reception

The Parents League of Greater Boston will present a Summer Opportunities Reception at the Underwood Room, Phillips Academy, (the Art Center, opposite the Andover Inn) on Thursday, Jan. 15, from 4:30 to 6:30 p.m.

The public is invited to come with children to meet Mrs. Neuhauser, Mrs. Bassett and representatives of 30 Summer Activities. Among these are ranches, travel, volunteer and paid jobs, and unusual opportunities for learning. A partial list of activities is as follows: Diplomatic-Exchange; Your Hosts Abroad; National Students Association; Choate Summer School; Cape Breton Summer; National Youth Hostels; E-Bar-L Ranch, Mont.; Elk Creek Ranch, Wyoming; Vagabond Ranch, Conn.; Outward Bound; Windredge Tennis Camp, Vt.; Canadian Canoe Trips; Miss Farmer's School of Cookery; Emerson Theatre; Mystic Sea Week; Grand Cayman Island, Africa; Boston Aquarium; and many others.

Parents League members and their children will be admitted free upon presentation of their tickets, there will be a fee for non-ticket holders and guests.

Notice To Candidates

The Andover TOWNSMAN, as a public service will carry announcements of candidates seeking office in the annual town election in March.

Early submission of announcements would be appreciated.

No announcements will appear in the news columns of the TOWNSMAN after the Feb. 19 edition, which is three weeks prior to the election.

**Semifinalist
In Merit Test**

Jeffrey G. Maclaren

Jeffrey G. Maclaren, son of Mr. and Mrs. Archibald Maclaren, of 93 Reservation Road, was named Semifinalist in the 1969-1970 National Merit Scholarship Program. According to Edward C. Smith, president of the national Merit Corporation, the Semifinalists are representative of the country's most intellectually able young people. "These students bring honor not only to themselves, but also to their families, their teachers,

and their communities," he said. Jeff is presently editor-in-chief of the yearbook and is a member of the French Club, Dramatic Club, Glee Club, and the Cum Laude Society. As a junior he received the James E. Baker Prize awarded for the best all around development in attitude and scholarship. He is also listed in Who's Who Among American High School Students. Jeff has been a member of the junior varsity football team, freshman basketball team, and it is anticipated that he will play varsity hockey and baseball.

Down The Years

75 Years Ago — January, 1895
Tuesday was the closing up day for the town's financial year.

A party of Pynchard scholars will enjoy a sleigh ride to Lowell tonight. The headquarters there will be the Charles Hotel.

The choir of St. Augustine's church expects to have a large attendance at its apron and necktie party in town hall this week.

B. F. Holt has had the house at Poor's Pond in Frye Village filled with a goodly supply of ice 12 inches thick.

It is pleasing to state that the contract for the plumbing of the Musgrove building has been awarded to a local contractor. George Saunders, our well-known plumber, was the successful bidder in competition with several other contractors, both in and out of

town.

The few people who were in the center of town Wednesday about 10 a.m. were surprised at some unusual music for this time of year. The music of a hand organ, interspersed with horrid sounding bells. Investigation showed that quite a party of young people had accompanied a newly married Lawrence couple as far as this town, giving the happy couple a sendoff.

50 Years Ago — January, 1920

Bartlett H. Hayes introduced Congressman Rogers at a meeting at town hall. Congressman Rogers described the work of the legislature in Washington, D.C. His visit here was at the request of American Legion Post 8.

The selectmen adopt a policy of requiring jitney operators, or persons operating vehicles for public hire, to post bonds of \$5,000.

The number of books issued for home use during December from Memorial Hall library was 3,003. At Ballardvale, the figure was 499 borrowed.

Through the recommendation of H. Krinsky, J. H. Proctor of Lawrence has purchased the old Hannigan factory in Lowell Junction. He will use it for a box factory.

A serious fire destroyed the interior of the Ira Buxton Co., north of the rubber company this week. The brick building stored a truck and other materials. Smoke issuing from the roof was discovered by a passerby.

25 Years Ago — January, 1945

An appropriation of \$21,000 will be requested at the annual town meeting for the 300th anniversary of the founding of Andover.

A swimming invitation has been extended to young boys who are able to swim and are members of the Andover Guild to participate in Saturday morning programs at the Phillips Academy pool.

The Central PTA and members of the League of Women Voters form committees to plan a "Know Your Schools" rally for Feb. 7.

Essex County Health Association announces plans to provide chest X-rays for school children.

For the convenience of Andover residents, the Boston and Maine railroad will now run 39 passenger trains to and from Boston daily and 16 on Sunday.

Due to decreased enrollments, a special subcommittee of the school committee has been appointed to study the curriculum needs of the high school.

10 Years Ago — January, 1960

Public school teachers' want substantial salary increase now, claiming funds are available. The association feels a minimum salary of \$4,300 is mandatory.

Mrs. Bertha K. Folley, president of the state Ladies Auxiliary of the Veterans of Foreign Wars, is honored not only for her office, but for 23 years of service to the organization at a banquet at the Andover Country club.

School committee proposes that abuilding committee be appointed to study the need for a new elementary school in West Andover.

Normal winter time diseases are rampant in town according to reports from the board of health.

Industrial Development Commission requests lowering lot sizes in industrial zones in order to permit smaller industries to locate here.

**Garden Club
Held Meeting**

The Four Seasons Garden Club held their regular monthly meeting on Jan. 8 at the home of Mrs. Priscilla Battle. The speaker for the meeting was Arthur Johnson of New England Water Quality Control Center. He presented an illustrated talk on stream pollution. Mrs. Virginia Heislein and Mrs. Ellen Caughey were co-hostesses.

PROGRESS. Andover's new public safety center continues to progress toward the completion stage. Here one of the carpenters is shown installing a door at the new center, expected to open sometime in February.

Student Travel Tours Planned

The study of Foreign Languages is no longer an arid task without other purpose than the fulfillment of college entrance requirements. It is most rewarding to be able to put into practice, the skills learned in class.

Last summer, two groups of Andover students travelled in Europe. They practiced and greatly improved their knowledge of French and Spanish. Vocabulary, verbs, memorized sentences did indeed come to life, to say nothing of the added bonus of exposure to different cultures and mores.

A group accompanied by Mrs. Goclovski, Spanish teacher at the High School, toured Spain for three weeks. They were: D. Barenboim, L. Birdsall, C. Bronson, K. Colombosian, S. Coppetta, G. Gordon, R. Hand, T. McClary, M. Ordzie, G. Savinelli, D. Strobel, E. Sullivan, D. Towne, J. Trott.

A second group, composed of Janet Cromie, Ann Danforth, Linda Fuller, Kaki Medici, Mark Klempa and Leslie Seeche was chaperoned by Mrs. Coates, French teacher at the East Junior High. They combined travel and study: 10 days of sightseeing in several countries and four weeks at the University of Aix en Provence.

Next summer, three trips will be offered: Mrs. Goclovski will again conduct a tour of Spain. Mr. Prince high school French teacher, will take a group of French students to France. Mrs. Coates who deeply regrets the neglect of classical civilizations in our schools, will lead a travel-study program in Greece and Italy: 15 days in Rome, 17 days in Athens, with, in-be-

tween, an island-hopping cruise on the Aegean Sea, up to Istanbul. Such a trip will help fill a cultural void in the education of the American student, who has a tendency to believe that history started in 1492.

Groups are being formed and reservations taken now. Space is limited and interested persons are urged to contact immediately the teacher sponsoring the trip of their choice.

Decorating Subject For Women's Club

"Quick Decorating Pick-Ups for After the Holidays" will be the special feature for the January Christian Women's Club luncheon on Tuesday, Jan. 20 from 12 to 2 p.m. at the Indian Ridge Country Club. Mrs. Priscilla Arthur of Andover, an interior decorator, will demonstrate tricks to perk up a sagging decor for the post season doldrums.

"Musical Kapers by the Maynard Krulls" will be the featured musical treat. Mrs. Krull is special feature chairman for the club. Special speaker will be Mrs. Maurice Jacques of Dorchester, an official Christian Women's Club speaker who has travelled widely throughout the United States and Mexico.

An invitation is extended to all women of the community to attend this luncheon. Reservations and further information may be obtained from Mrs. Donald Dewhurst, 12 Rennie Drive, Andover, or Mrs. Willard Perkins, 102 Dana Road, Reading. Reservations should be in by Friday, Jan. 16. Nursery service is available.

Andover Ski Race Winners

Scott Young

The Andover team, winners for the past two years of the Eastern Massachusetts Buddy Werner Ski League, won their first dual meet of this season by defeating North Andover at the Boston Hill ski area last Sunday.

The slalom race involving a total of 82 competitors consisted of two runs over a 29 gate course in six divisions of boys and girls in ages 8 and under; 9 through 11; and 12 and 13.

The Andover team with winners in five of the six divisions also had the best time for all competitors by Scott Young racing as a 12 year old in the boys 12-13 age division. Young's total time of 56.3 seconds including a brilliant second run of 27.4. Terry Landers of North Andover finishing second in the boys 12-13 unit had the second fastest time of 62.9 seconds which nudged Mark Liponis of Andover who won the boys 9 through 11 division and had the third fastest time of 65.7. Nancy Retelle was the winner in the girls 12 and 13 division while her sister Julia won the girls age 8 and under division. Kirk Liponis was the winner of the boys age 8 and under group.

The president of the Eastern Massachusetts Buddy Werner league which is affiliated with the Eastern Amateur Ski Association is Jim Reid, 3 Haven Drive. Coaches for the Andover team comprise Ted Sutton, Dave Barrett, Bob Kent, Russ Serbagi, Bud Eaton, and Jack Young. The North Andover team is coached by Doug Howard, Don Dodge, and Bob Dunn.

On Sunday, Jan. 24, the Andover team will compete against Woburn at the Woburn ski area. The North Andover team will challenge Haverhill at the Bradford ski area.

Results:

Boys division 12-13: 1, Scott Young, Andover; 2, Terry Landers, North Andover; 3, Greg Eaton, Andover; 4, Jim Eaton, Andover; 5, Bob Lucy, Andover.

Five Girl Scouts At Arts Expo

Five Senior Girl Scouts from the Merrimack River Girl Scout Council are living in anticipation of being a part of a Senior Arts Expo 1970, scheduled for Jan. 16 - 18 at Cedar Hill, Waltham.

Miss Constance Miller and Miss Vicki Crane, Chelmsford; Miss Linda Fuller and Miss Beth Black from Andover; Miss Margaret Baird from Littleton hope to participate in such varied workshops as silk screening; batik; tie and dye; linoleum blockprinting; copper enameling; and weaving. Winter sports, singing and teenage gab sessions will liven up the weekend!

The inspiration for this Expo came from a Senior Girl Scout of Mistick Side Council who attended a Creative Crafts Conference in Philadelphia last summer. Returning home, fired with enthusiasm, she helped her council organize this Expo as the first inter-council event sponsored by Mistick Side. Three neighboring councils, including the Merrimack River Council, are participating in the novel event. Fifteen girls from Mistick Side will complete the group.

The Senior Scouts will be housed at the Toplofty camp site at Cedar Hill, owned by the Massachusetts Girl Scouts, Inc.

BATTLING FIRE. Firefighters were called to the Tye Division of Converse Rubber Co., Tuesday morning to battle a blaze in a blower-vent system. Here, firefighters on the aerial, attack the blaze, caused by an accumulation of lint and dust in the vent.

Tuberculin Testing Planned

A tuberculin testing program will be conducted for Andover school students during the week of Feb. 2.

The consent of parents is necessary for a pupil to participate in the program. Consent slips will be distributed during the week of Jan. 12 and must be returned not later than Friday, Jan. 23.

The tine test will be used in the testing program and consists of a plastic handle attached to a small metal disc on which are 4 small points of tine. These tines are coated with tuberculin protein testing material. The disc is applied to the forearm with a slight pressure and is held in place for a second or two.

Forty eight to seventy two hours later, the test will be read. There may be a slight reaction in some cases. If the test is positive it does not mean that the student has Tuberculosis. However, a more sensitive test must then be given. If this test is positive, it indicates that at some time, the student has been exposed to active TB and enough germs have entered the body to cause a positive reaction. A chest x-ray should be taken to determine whether there is any damage to the lungs.

Chest x-rays of positive reactors and their family members will be arranged through the Board of Health Nurse and the School Nurses at the Parker Manor TB Clinic in Lawrence.

The tuberculin testing program is under the direction of the school nurses. The tests will be given during the week of Feb. 2 and the reactions read forty eight hours after the tests are given.

This program is part of a county wide tuberculosis control program. Cooperating agencies include the Andover Board of Health, the School Department, Essex County Health Association, the Mass. Department of Public Health, Division of TB Control and the Northeastern District Health Office.

Bancroft PTA Winter Dance

An informal winter dance, sponsored by the Bancroft School P.T.A., will be given Jan. 23 from 9 p.m. to 1 a.m. at the Andover Country Club. John Charles' Orchestra will furnish the music. Refreshments will be served.

Russell Serbagi is the dance chairman.

Greenberg Announces Candidacy

Dr. Milton J. Greenberg

Milton Greenberg, 46 Sagamore Drive, today announced his candidacy for selectman in the annual town election in March. Mr. Greenberg is president and chairman of GCA Corporation, an industrial company headquartered in Bedford.

A graduate of New York University, Mr. Greenberg holds a Master's Degree in Public Administration from Harvard University. He was director of Geophysical Research for the Air Force Cambridge Research Laboratories for 10 years prior to founding GCA Corporation in 1958. He is a member of the Science and Technology Committee of the Greater Boston Chamber of Commerce and prior to that served on its Industrial Advisory Committee. While in the U.S. Government service he served on many national and international scientific and technical committees. He is a Fellow of the American Association for the Advancement of Science, and Associate Fellow of the American Institute of Aeronautics and Astronautics, and a member of the Presidents' Association.

Mr. Greenberg is listed in Who's Who in America, Who's Who in Commerce and Industry, and in American Men in Science. He is a veteran of World War II and was awarded the Army Commendation Medal. He also holds the Air Force Medal for Exceptional Civilian Service.

Mr. Greenberg is married to the former Maxine Baer, and they have three children, two attending Andover public schools and a third attending Grinnell College.

In announcing his candidacy, Mr. Greenberg said: "For the past 11 years it has been my privilege to serve as president of GCA Corporation which has its headquarters in Massachusetts and which employs several hundred persons in this state. The problems of growth, the problems of taxes and the problems of good business management are no strangers to me. The years directly ahead are going to be of vital importance to all of us in Andover. The directions we take now in solving our problems and in exploring our opportunities will be instrumental in determining the character of Andover for many years to come."

On Honor Roll

Holly Burns, daughter of Mr. and Mrs. Donald S. Burns of 30 Alden Road, a senior, has been named to the Honor Roll for Honorable Mention at the end of the first trimester period at the Stoneleigh-Burnham School, Greenfield, a college preparatory school.

Misery loves company—but not the kind who stay on long visits.

Golden Warriors Have Good Week

By Rick Harrison

It was a very good week for Andover High sports, as both the hockey and basketball teams won a pair of games.

Coach Charlie Vars' hockey sextet moved into second place in the Merrimack Valley Schoolboy Hockey League by virtue of a 7-4 win over Tewksbury, and a 3-2 decision over Masconomet Regional.

Meanwhile, Coach Wil Hixon's Golden Warrior cagers took over third place in the Merrimack Valley Basketball Conference with a 72-34 trouncing of Tewksbury, and a close 55-52 triumph over Methuen.

The hockey club now sports a 4-1-2 record for 10 points. They are one point in back of league-leading Burlington (5-0-1), and a single point ahead of third-place Masconomet (4-2-1).

The basketball squad has a 4-1 league record and a 5-1 overall mark. It trails unbeaten, defending champ North Andover (5-0) and tough Billerica (5-1) in the standings.

Grange Tops
The Golden Warriors' first-line center, Doug Grange, pumped in four goals and three assists during the week to take over first place in the individual scoring chase with 14 total points. Capt. Jan Gottesfeld is close behind with 12 points for third place.

Andover's 7-4 triumph over winless Tewksbury came mainly on the

strength of a four-goal second period.

Coach John Corbett's Tewksbury crew grabbed a quick 1-0 lead at 0:34 of the first stanza, when Co-Capt. George Hughes netted the first of his three goals on the Redmen's first shot on net.

Andover quickly tied it at 1:08 when Craig Bliss connected for his second goal of the season. Grange set him up for the 10-foot backhand from the right side.

Grange then gave Andover the lead it never relinquished with a five-foot rebound score at 9:37 of the same stanza. Gottesfeld helped out on the tally, which made it 2-1.

Gottesfeld upped the difference to 3-1 at 0:11 of the second session with a 10-foot forehead blast from the middle. Grange and defenseman Dave Marson set up the marker.

The talented Hughes single-handedly reduced the spread to 3-2 at 3:44. He stole an Andover centering pass and quickly flipped a 20-foot wrist shot past Allan Chapman. Tewksbury was a man short at the time.

Jeff Lewis lit the red lamp for the first time this year at 6:24 of the stanza, jabbing home a close-in rebound of a Steve St.-Jean slapshot. Both St.-Jean and Marson were credited with assists on the score.

Mark Hockmeyer creased the Tewksbury net at 7:49 to make the count 5-2. It was a well-executed, 20-foot backhand from the right side that traveled into the cage over goalie Al Duffett's shoulder. Gottesfeld registered the assist.

Grange then closed out the high-scoring second period with 1:19 left to play, shoveling in a five-foot rebound. Gottesfeld and Bliss were also in on the play with assists.

Lewis continued the assault at 2:57 of the final canto, connecting on a perfect breakaway. His 10-foot wrist shot was set up by fine passes from St.-Jean and Hockmeyer.

Twice in the period Hughes missed goals by hitting the net post, but then at 3:29 Joe DeGrosso of the Redmen made it 7-3 on a 15-foot rebound. Chapman had been taken out of position while making a save on a slapshot by Bill White.

With 2:12 remaining to be played, Vars replaced Chapman in the nets with Dean Marshall. Hughes capitalized on the switch by completing his "hat trick" at 11:03 on an unassisted, 15-foot wrist shot from the left.

The Andover-Masconomet battle was for possession of second place, and the Golden Warriors had to fight from behind to get the victory.

Andover scored first at 6:01 of the opening stanza when Grange hammered in a fine unassisted tally. He swiped the puck at the red line, stick-handled around one defender and whipped a 20-foot wrist shot from the right side past Masconomet goalie Jeff Ackerman.

The Golden Warriors survived a two-skater disadvantage for more than a minute in the first period. Hockmeyer, St.-Jean and Marson were the penalty killers.

Coach Jerry Plumley's Chieftains came back to grab a 2-1 lead in the second period on back-to-back goals within 25 seconds. Randy Cole tied it at 7:50 with a 70-foot slapshot, and then Dan McCraigne put Masco 1-up at 8:15 when he guided in Cole's across-the-goalmouth pass.

The Golden Warriors came back to knot the count at 2-2 after two periods, with Grange guiding in a slapshot by Bliss for the equalizer. Marson also had an assist on the red lighter, which came at 11:15.

Game Winner

Gottesfeld notched what proved to be the game-winning goal at 0:21 of the final stanza, ramming in a five-footer after two quick set-up passes from Grange and Bliss.

The basketball team had little trouble with Tewksbury at the AHS gym. The Golden Warrior quintet practically ran the Redmen out of the building in the first half, pulling out to a 20-6 first quarter lead and a 39-15 bulge at intermission.

The winners added 23 more points in the third canto to make it 62-25, and then coasted home in the final eight minutes.

Co-Capt. Dick Muller led the way with 19 points, while Co-Capt. Paul Howe also hit double figures with 11 points and 15 rebounds.

Tewksbury was unable to place a man in double figures. Neil Singleton was high man with nine points and Keith Caveney added five.

Coach Bill Vickers' JVs also won 45-21. Lefty Chris Post again led the way with 15 points.

Methuen Tough
The Methuen game was a lot rougher for Andover, as the two clubs collided at the Tenney High gym in Methuen riding identical four-game winning streaks.

The Rangers held the lead most of the way. They jumped out to a 16-12 advantage after one stanza, and led 32-28 at the half. Andover cut the gap to 42-40 after three quarters, and then held a 15-10 final period spread to gain the decision.

At one point in the second period Methuen had a 10-point lead at 24-14, but the Golden Warriors gradually chipped away at this cushion.

Shortly after Rangers' Capt. Tom Greenwood fouled out of the game, Andover pulled into a 50-50 tie on a Muller jumper. With a minute left, Neal Davis completed a clutch three-point play to make it 53-50, and 10 seconds later Muller swished another jumper to make it 55-50.

Muller finished with a game high of 22 points, while Howe added 11 again. Davis had 10 points and Hixon and Mason contributed six points apiece. Bill Pare and John Ford had 15 each for Methuen. Again Andover prevailed in the JV contest by a 40-38 score.

The Golden Warriors' hockey club enjoyed a day off yesterday, but is slated to return to action Saturday afternoon at 3:30 p.m. against defending champion Wilmington. The Wildcats are 4-3-0 overall, and dropped a 5-1 decision to Andover the first time around.

Post Office Examination Scheduled

To meet the need for skilled postal workers that will be created by the growing volume of mail, the U. S. Civil Service Commission will hold an examination for the position of clerk and carrier, according to an announcement by Postmaster Francis J. Mooney of Andover. The position offers \$3.06 per hour to start, an opportunity to receive periodic increases, and many other benefits.

According to the Postmaster any citizen may apply simply by contacting his local Post Office or the Boston Interagency Board of the U. S. Civil Service Examiners. For those who qualify on the basis of the written test, the Post Office Department guarantees full consideration for appointment without regard to race, religion, color, national origin, sex, political affiliations, or any other non-merit factor.

Will Seek Position On School Board

Jerome P. Hochschwender

Jerome P. Hochschwender has announced his candidacy for a position on the Andover school committee.

Mr. Hochschwender is the sales manager of Precision Electronics Co., in Andover. He was graduated from Poly Prep C.D.S., Brooklyn, N. Y. and received his liberal arts degree from Princeton University.

He has been a teacher and is now a director of the C.C.D. Sunday School at St. Robert's Bellarmine parish, West Andover where he is also a member of the parish council. He is a vice-president of the West School P. T.A. and on the advisory board at Cardinal Cushing Academy, West Newbury.

He is an overseas veteran of World War II, having served three years with the Field Artillery.

He is married to the former Claire Louise Hamel, Bradford, and they reside with their five children at 35 Birch Road. Four of their children are students at West school with the fifth to enter in the Fall term.

Mr. Hochschwender feels the tax structure can better be brought into line with a more economical and efficient school system.

School Menu

Monday - grilled hamburger on a bun, whole kernel corn, stewed tomatoes, spice raisin cake and milk.

Tuesday - oven baked sausages, mashed potatoes w/gravy, green peas, bread and butter, chilled fruit and milk.

Wednesday - High and Jr. High: chilled fruit juice, sloppy Joe on a roll, whipped sweet potato, old fashioned gingerbread w/ apple-sauce and milk. Elementary: baked macaroni and cheese, grilled frankfurt rings, sugared apple wedges, bread and butter, old fashioned gingerbread w/ topping and milk.

Thursday - over roasted chicken, mashed potatoes, hot buttered cornbread, green beans, cranberry sauce, jello with fruit and milk.

Friday - hearty beef soup, pizza w/tomato sauce and cheese, potato chips, cabbage, carrot and radish salad, oatmeal raisin cookie and milk.

MISS DOROTHY E. HALL

Miss Dorothy E. Hall, 16 Cedar Road, died Monday, Jan. 12, at Lawrence General Hospital following a long illness.

She was born in Lawrence and resided in Andover 20 years.

She was formerly employed at the Essex Savings Bank. She was a member of the South Church. She is survived by a sister, Miss Ruth L. Hall of Andover.

The funeral was held Wednesday at 1:30 p.m. in the Lundgren Funeral Home, 18 Elm St. Rev. J. Everett Bodge, minister of the South Church officiated. Burial was in Bellevue Cemetery.

Memorial contributions may be made to the Crotched Mountain Foundation or to the charity of one's choice.

CHARLES R. SANBORN

Charles R. Sanborn, 51, 57 High St., died Monday, Jan. 12 at Lawrence General Hospital following a long illness.

He was born in Andover, Aug. 25, 1918 and was a lifelong resident of Andover.

He was a member of the Free Christian Church.

He was a veteran of World War II and served with the 91st Bomb Group, U.S. Army.

He was a member of the 91st Bomb Association and the Achler Club at Western Electric. He was an electrician at the Western Electric Co., Merrimack Valley Works.

He is survived by his wife, the former Georgina Waldie; a daughter, Nancy S. wife of James Demers of Andover; a brother, Fred N. Sanborn of Lawrence and a sister, Mrs. Florence Snell of Boxboro.

The funeral will be held today at 2 p.m. at the Lundgren Funeral Home, 18 Elm St. Rev. J. Allyn Bradford, minister of the Free Christian Church will officiate. Burial will be in Spring Grove Cemetery.

OBITUARIES

MISS MARGARET SULLIVAN

Miss Margaret T. Sullivan, 85, 121 Summer St., died Wednesday at the Coles Nursing Home, following a long illness.

Born in Ireland, she had been a resident of Andover for 60 years. She was retired and had been employed for many years as a maid.

She was an attendant of St. Augustine's church and was a member of the Sacred Heart Sodality of that parish.

She is survived by a sister, Mrs. James S. Goodwin of Andover, three nieces and nephews.

The funeral will be held Friday from the Lundgren Funeral home, 18 Elm St., with a requiem Mass in St. Augustine's church at 9 a.m. Burial will be in St. Augustine's cemetery.

Friends may call today at the funeral home from 3 to 5 and 7 to 9 p.m.

JAMES SKEA

James Skea, 53, 6 Amesbury St., Lawrence, was dead on arrival Wednesday night at Lawrence General Hospital where he was taken in the Lawrence fire department ambulance.

He was born in Andover, Oct. 9, 1916 and was employed at Tye Rubber Co.

He was a veteran of World War II having served in the U.S. Army in the South Pacific from Jan. 1942 until Nov. 1945.

He was a member of Local 137, United Rubber Workers.

Besides his wife, Mrs. Ruth Skea, he is survived by his mother, Mrs. Elizabeth Skea of Methuen; two sisters, Mrs. Louise Sullivan and Mrs. Elizabeth Stoessell, both of Lawrence; seven brothers, Charles, George and Alexander of Lawrence, William of Saco, Maine, John of Beverly, Edmund of Methuen and Raymond of Boston.

Private funeral services were held at the Charles F. Dewhurst Funeral Home, 80 Broadway, Methuen, Saturday, Jan. 10, at 11 a.m. with Rev. David R. Ladre, minister at the First Church, Congregational of Methuen, officiating. Burial was in Spring Grove Cemetery.

GEORGE E. BODDY

George E. Boddy, 77, 66 Maple Ave., died Tuesday, Jan. 13, shortly after admittance to Lawrence General hospital.

Born in Lawrence, he had been a resident of Andover for 50 years. He was retired and had operated his own trucking business.

He is survived by his wife Lillian (Lees), a son George G. of Andover, two daughters, Dorothy, wife of Harold Wilson of Bolton and Constance, wife of Richard Greenwood of Andover, four grandchildren and several nieces and nephews.

The funeral was held this morning from the Lundgren funeral home, 18 Elm St. Rev. J. Allyn Bradford of Free Christian church officiated. Burial was in Spring Grove cemetery.

JOHN J. BRIGHTNEY

John J. Brightney, 84, 5 Boston Road, died Sunday, Jan. 11, at the Hughes House Nursing Home following a long illness. He was the husband of the late Margaret Brightney.

He was born in Pencuik, Scotland, July 8, 1885, son of the late John and Janet (Crawford) Brightney. He was a resident of Andover for 26 years and prior to retirement he was employed as a papermaker at the Merrimac Paper Co. He attended St. Augustine's Church.

He is survived by two sons, John M. of Andover and James J. of North Andover; two daughters, Agnes, wife of Joseph Currie of Lancaster and Mary T. wife of John Fatheree of Lafayette, La.; a brother, James of Andover and 12 grandchildren.

The funeral was held Wednesday from the R. George Caron Funeral Home, 30 Main St., North Andover, with a high Mass of requiem at 9 a.m. in St. Augustine's Church. Burial was in the Spring Grove Cemetery.

MRS. ALEXANDER WALDIE

Mrs. Elin (Larson) Waldie, 78, 171 Bailey St., Lawrence, widow of Alexander Waldie, a former long-time resident of Andover, died suddenly Saturday, Jan. 10. She was stricken at home and taken to Lawrence General Hospital where she was dead on arrival.

Dr. John T. Batal, medical examiner, said the cause of death was acute coronary.

She was born in Tidaholm, Sweden, March 28, 1891. She resided in Lawrence eight years. She attended Free Christian Church.

Surviving are a son, George S. Waldie of Manchester, N.H.; four grandchildren; five great grandchildren; and several nieces and nephews.

Funeral services were held Tuesday at 1:30 p.m. at the Lundgren Funeral Home, 18 Elm St. Rev. J. Everett Bodge, minister of the South Church officiated. Burial was in Spring Grove Cemetery.

INFANT BONER

The infant daughter of Robert F. and Margaret (Stanton) Boner, 35 Lowell St., died Tuesday, Jan. 6 at Lawrence General Hospital.

Besides her parents she is survived by four brothers, Robert F., Jr., Edward J., Richard W., and George J. Boner, all of Andover; three sisters, Charlotte M., Kathleen and Mary R. Boner, all of Andover; her paternal grandmother, Mrs. Mary Boner of North Billerica and her maternal grandmother, Mrs. Katherine Stanton of California.

The funeral was held Thursday, Jan. 8. Burial was in St. Patrick's Cemetery, Lowell.

ROBERT G. ANDERSON

Robert G. Anderson, 72, 49 Elm St., formerly of South Lawrence, died Thursday at Bon Secours Hospital following a short illness.

He was born in Scotland. He was a former foreman at the Champion International and Oxford Paper Mills, Lawrence.

He attended St. Patrick's Church, Lawrence, and was a member of the Holy Name Society.

He is survived by his wife Mary (O'Brien) Anderson of Andover; a daughter, Isabel, wife of John J. Quill of Lowell; a brother, Leslie Anderson of Methuen; six grandchildren and three great-grandchildren.

The funeral was held Monday from the M. A. Burke Memorial Funeral Home, 390 North Main St., with a high Mass of Requiem at 9 a.m. in St. Patrick's Church. Burial was in Holy Sepulchre Cemetery, North Andover.

MRS. MARCELLE MORRISON

Mrs. Marcelle (Chenevert) Morrison, 63, former resident of Andover, died Sunday at her home, 4325 13th Place, Vero Beach, Fla., where she has resided for eight years.

She was born in Biddeford, Maine, Aug. 14, 1906 and was a long time resident of Andover.

She is survived by a daughter, Mrs. Richard G. Mason of New Britain, Conn. and three grandchildren.

Private funeral services were held Saturday at the Lundgren Funeral Home, 18 Elm St., with burial in Spring Grove Cemetery.

Capt. Smyth Awarded Air Medal

U.S. Air Force Captain Charles W. Smyth, Jr., from Andover, has been decorated with the Airman's Medal.

Captain Smyth, son of Mr. and Mrs. Charles Wayland Smyth, 117 Lowell St., earned the decoration when he risked his life to remain at the controls of an incapacitated jet aircraft to keep it from crashing in a center of dense population near Upper Heyford RAF Station, England.

The captain's RF-101 Voodoo developed severe mechanical dif-

ficulties that prevented a landing. Greatly endangering his chances for survival, he undertook a series of actions which enabled him to guide the jet to a safe crash area before ejecting to safety.

Captain Smyth, a reconnaissance pilot, is assigned to the 66th Tactical Reconnaissance Wing, a unit of U.S. Air Forces in Europe -- America's overseas air arm as-

signed to NATO.

The captain previously served with the 87th Fighter-Interceptor Squadron at Lockbourne AFB, Ohio. He has also served in Vietnam.

A graduate of Andover High school, the captain was commissioned in 1964 upon graduation

from the U.S. Air Force Academy where he also received a bachelor's degree.

His wife, Judith, is the daughter of Mr. and Mrs. Harold A. Bauld, Pleasant Street, Fayville.

Employees of Western Electric's Merrimack Valley Works rallied to alleviate the state-wide blood shortage, donating more than 170 pints of blood recently. In the picture, Red Cross Nurse Mrs. Geraldine Hemeon attends Mrs. Bertha Bergeron, 199 Salem St., Andover, Paul Payson of Suncook, N. H., left, and Robert Kinsman, Peaslee Crossing Road, Newton, N. H.

Blood Need Is Urgent

The Andover Red Cross Blood Chairman, Gerald Silverman, is making an appeal to all Andover residents who are able to donate to do so. This is to alleviate the shortage of blood at this time. To help meet the local needs donors have been sent to local hospitals during the past week end. However, the blood situation is still critical. As of Friday, Jan. 9, Bon Secours had only 19 pints and Lawrence General had 39 pints.

The Hale hospital in Haverhill has requested that all persons scheduled to have surgery must have the blood in the hospital before any operation can be performed.

At 8:30 Friday, Jan. 9 the Red Cross Blood Center in Boston had 345 pints. Two hours later the supply was down to 20 pints. Peabody Red Cross Blood Sub-Center on Friday morning at 8:30 a.m. had 56 pints of blood and by mid-afternoon there was no blood left.

The Peabody Sub-Center, 85 Lowell St., Peabody, will be open

for Blood donations Thursday and Friday from 10 a.m. to 8 p.m. Saturday from 10 a.m. to 4 p.m. and Sunday from 10 a.m. to 2 p.m.

The Andover Chapter will hold a Community Bloodmobile on Jan. 21 at the Masonic Temple at 7 High St., Andover. All donors are requested to contact for appointments the Andover Chapter, American Red Cross by calling 475-1496.

Mrs. Jackson In Heart Course

Nineteen industrial nurses representing fifteen local and Greater Boston industries recently participated in a two-session course of instruction in cardiopulmonary resuscitation sponsored by the Northeast Chapter, Massachusetts Heart Association in cooperation with the Raytheon Company, Andover.

Representing Honeywell, Billerica was Mrs. Jacqueline Jackson, R. N., 12 McKenney Circle.

Fall Term Shows Continued Growth At Y

The Andover Branch of the Lawrence YMCA reports continued growth during the Fall Term of 10 weeks which concluded just prior to the holidays. Programs statistics for the term, with 1968 comparable figures in parentheses, follow: 91 programs conducted (70); 998 class sessions (790); enrollment of 1,865 (1,406); attendance 15,286 (11,564). Included in the above totals were 17 aquatic programs at the Phillips Academy pool with 613 enrolled individuals, 171 class sessions, total attendance of 5,396.

Returns Off

Christmas seal returns from Andover as of Jan. 5, were slightly behind the total reached by the town a year ago. With returns still due, the total for Andover, according to the Essex County Health Association was \$5,124.70, as compared to the overall total of \$5,338.75 a year ago.

'Of The New England Farm'

Darwin P. Kelsey, director of Historical Agriculture at Old Sturbridge Village, will speak on "The New England Farm 1790-1840" at the North Andover Grange Hall in North Andover's Old Center tonight, at 8 o'clock.

The program will be open to the public without an admission charge and is being sponsored by the North Andover Historical Society. Refreshments will be served following the meeting.

A native of Candor, N.Y. (near Ithaca), Darwin P. Kelsey grew up on his family's farm there. He graduated from Candor Central High School, and studied electrical

engineering for two years at Broome Technical Community College, at Binghamton, N.Y. He then worked for two years as an atomic nuclear reactor operator in Idaho Falls, Idaho. He decided at Idaho Falls that he preferred history to atomic science and enrolled as a history student at Seattle Pacific College where he received his B.A. He holds a M.A. from the Cooperstown Graduate Programs sponsored jointly by the State University of New York College at Oneonta and the New York Historical Society. He is a member of the Agricultural History Society, the American As-

sociation for State and Local History, the American Association of Museums, the Massachusetts Historical Society, and the Worcester County Horticultural Society.

First Dividend Is Declared

The board of directors of the Fund for Mutual Depositors Inc., today declared a semi-annual dividend of six cents per share from net investment income, payable on Jan. 23, 1970 to shareholders of record on Jan. 9, 1970.

This is the first dividend paid by the Fund since the initial of-

fering of its shares on Aug. 4. mutual fund whose shares are available to depositors of certifying mutual savings banks.

EXPLAINING EXPANSION. Robert W. Bixby, assistant project engineer for the State Department of Public Works, explains the proposed expansion of Interstate Route 93 at the bridge crossing the Merrimack River into Methuen. Bixby, and state officials, were in Andover Tuesday afternoon and evening to explain the expansion plans and show the proposal, prior to a hearing scheduled in Methuen Wednesday night.

Graduate To Lead Academy Vesper

Cochran Chapel at Phillips Academy invites all interested townspeople to join in the experimental worship service at Vespers this Sunday, Jan. 18 at 5 p.m.

The vesper service will be led by PA graduate and Episcopal minister William Flanders, who writes and sings folk songs as new hymns for the church. The 35-year-old clergyman has two successful records of his songs to

his credit - "Love Is A Verb" and "Fishers of Men."

Rev. Mr. Flanders will introduce and lead a worship service of response and song, little of it traditional, none of it very denominational. Serving as hymns will be "Love Come A Tickling Down," Pete Seeger's "Turn, Turn, Turn," Sydney Carter's "Lord of The Dance," and others. The service will be preceded by a program of Bach's organ music played by the school organist, Dr. Lorene Banta.

Flanders began as a New England Congregationalist, and after Phillips Academy, graduated from Yale, taught in New Hampshire, lived in Europe, studied singing in Italy, and theology at Virginia Theological Seminary, where he graduated in 1962.

Since then he has served in churches in Virginia and Washington, D.C., and has been Associate Episcopal Chaplain at the University of Maryland.

Flanders has been deeply involved in writing and singing music and developing it for the life of the church, and in chancel drama. He has emerged as a leader in new experimental forms of worship, and says it dawned on him two years ago that folk hymns might open up a way of giving new idioms to old theological language. Flanders' ministry now is to travel about the country singing and leading services on campuses and in churches. This ministry seems to have especial appeal, not only to students, but to parents with young families.

Everyone is welcome.

Self-Help Training Course

The Horizon Club, Camp Fire Girls of high school age, at a regularly scheduled meeting last night were presented with diplomas in the Medical Self-Help Training Course. More important than the diplomas to the graduates, however, is the knowledge that they now can handle many vital functions in Medical Self-Help in the event of an emergency.

According to Mrs. Howard Hamilton, public health nurse, who conducted the course, the following girls received diplomas: Georgia Anderson, Nancy Anderson, Sue-Ellen Blaine, Kathy Bubar, Elise Flonte, Louisa Clark, Candy Fogg, Joy Fogg, Mary Ellen King, and Jeanne Manning. Mrs. Mary Anderson and Mrs. Dorothy Erickson also completed the course and were presented with diplomas.

ANDREW - A son, Kevin Edward, Jan. 10 at St. Peter's hospital, Albany, N.Y., to Mr. and Mrs. Arthur Andrew of Albany, N.Y. The mother was the former Margo Messina, daughter of Mr. and Mrs. Joseph Messina, 72 East Haverhill St., Lawrence. The paternal grandparents are Mr. and Mrs. Edward Andrew, 4 Fleming Ave. This is the couple's first child.

Parents Of Andover Woman Succumb

The parents of an Andover woman died within a few hours of each other over the past weekend.

Bernard F. Wucher, 71, 5 Calvin Road, Jamaica Plain, died Saturday night at 9:40 at Massachusetts Children's Hospital. His wife the former Anna M. Amrhein, died suddenly early Sunday morning at the home of the daughter, Mrs. Madeline Christopher, 32 Lincoln Circle. Dr. John T. Batal, medical examiner, said the cause of her death was cerebral hemorrhage.

Mr. Wucher was born in Boston, son of the late Frank J. and Mary (Heiler) Wucher. He was a retired manager. Mrs. Wucher was born in Boston, daughter of the late John and Catherine (Luzio) Amrhein. He was a Navy veteran of World War I.

Mr. Wucher is also survived by two sisters, Mrs. Frances Brown of Winthrop and Mrs. Barbara Mullen of Cambridge and Mrs. Wucher is also survived by a sister, Mrs. Marie Arnold of Belmont.

A double funeral was held Wednesday from the P. E. Murray Funeral Home, 2000 Center St., West Roxbury, with a 10 a.m. high requiem Mass in St. Thomas Aquinas Church, Jamaica Plain. Burial was in New Calvary Cemetery, West Roxbury.

Editorial Comment

The Dump

A sanitary disposal site, by any other name, is still commonly known as a dump.

The problem of solid waste disposal, and 'dumping' of same has been under study for some time, here in Andover.

The study committee reported its findings to the selectmen this week, and as was expected, the news was not the cheeriest.

Added expenses, most assuredly.

A story on the report of the committee appears elsewhere in this edition of the TOWNSMAN.

But a dump -- sanitary disposal site -- sanitary landfill disposal site -- is a necessity.

The report given Monday night is in the manner of suggestions as to how best to curb Andover's problems on a temporary basis. It is far from a cure-all to the town's problems of solid waste disposal.

There are many methods still under consideration, but the committee appeared to have done its homework well, although missing a few points here and there.

Somehow, a dump, and we call it that only for want of a better word, and probably not giving it the dignity of being a sanitary disposal site, is something we accept as being there forever when we need it.

It is a municipal facility. It is a lot like the water lines and the sewer lines, buried under the ground and accepted as answering the demand when needed.

Let a line break, and hear the screech of the homeowner, whose service has been disrupted.

It is like paying for fire and police protection, in the

hope they won't be needed for personal services.

We are faced, in this modern era of discreet packaging of goods of overloading our disposal containers.

We still accept the fact that the disposal site in West Andover will meet our needs, as attested to by the almost 3,000 cars which have been counted on a Saturday depositing waste and paying neighborly social visits.

Very rapidly, the area is running out of space.

The committee has made its recommendations to the selectmen.

They are really but a stop-gap measure, for the problem magnifies as the town increases in size.

We would hope the selectmen and other town officials give some very serious thought to this problem.

Time is running short.

Attention is needed to this problem as well as many others.

But in this area, one which the Andover citizen probably accepts as a facility which will always exist and be available, may very shortly become extinct and unuseable.

We can recall a Boston newspaper columnist, now deceased, who had a daily feature in his treatise entitled, "Thoughts While Shaving," in which he once said, what would I do if I couldn't go to the dump on Saturday?

That was several years ago.

Over a decade after the man's death, it appears to be more than just a thought while shaving -- it is a serious matter which must be met now, and examined on a regional basis as to a future course.

Home Rule

One of the most pleasant articles which will be acted upon at the annual town meeting this year will be one which deals with home rule.

The selectmen, Monday night, and we are sure in their session on Wednesday, endorsed the idea, of allowing local taxpayers and citizens to determine their own destiny as to what they will pay their municipal employees.

The town meeting article, in essence, will be an advisory, to the elected representatives and senators from this area, to cease and desist from establishing salary minimums for municipal employees, whether they be police, fire, public works department personnel or the professional educational staff.

Whether the legislation is permissive or mandatory matters little. The stigma is placed upon the town.

Purpose of the home rule amendment is to let our legislators know that, for instance, here, in Andover, we know best what we can afford.

Indeed, a representative from the Berkshires, could hardly care about conditions in Andover, and possibly vice versa.

We recognize the increased cost of living. We are cognizant that our municipal employees are taxpayers and homeowners.

But we feel sincerely that we all know best what we can afford in the line of payment for municipal services, particularly in the area of employees.

Collective bargaining processes, now at their disposal, place the municipal employees in a better position to seek salary increases and fringe benefits.

At the bargaining table, these matters can be thrashed out.

We highly favor the home rule amendment, as proposed for adoption at the annual town meeting.

Let us, here in Andover, decide what the freight will bear.

Not those so comfortably ensconced under the Golden Dome on Beacon Hill.

We are paying their salaries and expenses too. Let us decide how much we can afford locally, and not be dictated to by a formidable, well-paid group meeting periodically in Boston.

'Bill Doherty'

Within the space of a few short weeks there will be a rather historic pounding of the gavel adjourning a school committee here in Andover.

It will signal the end of almost 40 years of service to

the town's education system by William A. Doherty, who has announced he will not seek re-election in March.

We would like to refer to him as 'Bill Doherty' for over the years, in controversy as a committeeman, in praise for his actions on the board, he has always been a fair and impartial observer of Andover's educational needs.

To those who agreed, Bill was a hero, to those who opposed his thoughts, he was sometimes referred to as behind the times and unmindful of Andover's financial future.

Perhaps, time will prove that Bill Doherty knew what he was talking about when he proposed the acquisition of several school sites before they were scooped up by private developers, whose actions mandated new school construction at exorbitant cost.

If nothing more can be said of Bill Doherty's devoted and dedicated service to the school committee of this town, it must be noted that he always spoke forth and stood for what he believed was right and just for public education.

He holds a state record for serving on a school committee in this state for the most consecutive years. An outstanding achievement, particularly in view of his absence of but one meeting, that due to illness, in close to 900 sessions during his tenure.

As a newspaper, we would be remiss, if we did not comment particularly on one of his most solid accomplishments, and the one which behooved him to become a school committee candidate in 1931.

He ran on a platform of open meetings, during a time when school committee business was transacted behind closed doors.

Bill opened them as a newspaper reporter, bringing forth the facts to the townspeople. After several years, the doors were thrown open completely to the town.

As late as his last meeting a couple of weeks ago, Bill Doherty once again opposed an executive session.

Bill Doherty will be missed as a member of the school committee in the years ahead. He has added much to the town's education system.

Only time will prove whether his prophecies and philosophies, some accepted, some rejected by his colleagues, were proper or improper.

His experience, his devotion to public service, the time he spent at many years of unpaid public service, we think may cause Andover residents one day to pause and reflect and think that maybe 'Bill' was right, and, yes, we should have listened.

Perhaps a most fitting tribute to Mr. Doherty's long years of service to the town and to public education, would be to name one of Andover's new schools in his honor.

The Andover Public School Teachers Association was formed as Bancroft Road was once known as Reservoir street, the name change being approved in 1910.

What Our Readers Say

To the Editor of the TOWNSMAN

I would like to take this opportunity to express the sincere appreciation of the members of the Andover Hockey Association's Bantam team to all of the townspeople of Andover for their generous support of our recent fundraising drive.

The recently completed hockey tour of Canada was a fine educational experience for those of us involved as well as an interesting recreational activity.

In spite of severe weather conditions which caused adjustments in our travel plans we managed to win two of the three games played in Canada. Probably the most rewarding portion of the trip, however, came during our visit to a Toronto Children's Hospital for Crippled Children. Our visit with these children and our attempts to bring them some cheer made us realize better than ever before just how fortunate we really are.

Again, to all those who helped make this trip a reality, the sincere thanks of each member of the team.

Ed Flannery, Captain
Richard E. Neal, Coach
Paul E. McNamara

To The Editor of the TOWNSMAN

Locally many worked to get the Home Rule Amendment adopted. This modification was to provide towns with more ability to conduct their affairs. But the advocacy of any method is a puzzle if the advocates seem to have no use for it once it is obtained. However, it is hoped that many shall join in making use of home rule powers to improve income of the town from local sources other than real estate taxes.

It is mostly agreeable that governments must raise revenue where available. Here in Andover an important source of income has long been neglected, that of the various fees for inspection services essential for protecting the general welfare as well as protecting the town's principal asset: The quality of buildings of all kinds.

Presently the fees charged suggest something less than adequate inspection is being provided and that little is left to the town after paying out of pocket expenses. All such fees should be adjusted as well as a review made of the methods and records of inspection. Also another source of income should be considered.

Rent should be charged to electric, telephone and gas companies for the use of space by their vaults in the public way as well transformer and related gear which uses space overhead in the public way.

Karl Haartz
60 High Palin Road

(Editor's Note: Inspection fees are charged for new building, and installation of gas and plumbing services. Utility firms also pay personal property taxes for lines and transformers located in the community and are among the top ten taxpayers in Andover.)

To The Editor of the TOWNSMAN

My wish for the New Year is that more people both young and older would study really study the politics of the U.S.A. This happens to be the Art of Government, a very important and wonderful art. We should study it on all levels. Local - State - Federal. Add to study experience which is very essential. When one accomplishes both it gives one a better over all picture of our country's problems and how to try to solve them in these difficult times.

Thus people then would be more qualified to make constructive criticisms rather than destructive. We seem to get plenty of destructive these days.

How about more constructive in 1970.

Grace B. Peters
77 Main Street

15 CENTR

Off The Top Of The Desk

We commend to your attention this week, an article in one of the TOWNSMAN'S popular weekly features, "Down The Years."

It notes that 25 years ago the Boston and Maine railroad offered 39 round trip runs to and from Boston daily and 16 on Sunday.

Today it is a once a day whistle stop. Quite a change from the yesteryear, when the sound of the old steam whistle sounded loud and clear and frequently. Particularly at this time of year on the frigid nights, when the low temperatures cast a spell up and down the spine as it whistled through the town.

Frequently a freight passes through town now and then, but the passenger service is down to once into Boston in the morning and once back at night.

And in the year ahead, even this once-a-day run is threatened with extinction.

Good to see the public works department crews out early Monday morning spreading sand on the sidewalks for the protection of the pedestrian traveller.

It was a cold morning, but the crewmen travelled slowly over the town streets, as a workman stood at the rear of the truck spreading the combined sand and salt for safe underfooting.

Was there hardly a person who did not take some time Sunday to cast an eye upon the super bowl football game won by the upset-minded Kansas City Chiefs?

It is the last of the super bowls, since the two leagues, American and National Football leagues, will merge next year and there will be no playoffs.

Whether or not this is good for football or not, we don't actually know, nor would we get in an argument over the whole thing.

One thing is for sure, however, the American League, scoffed at and laughed at for the past few years, or since its inception, certainly has made some gigantic strides in a few short years.

Just a reminder!

Those decals issued by the Registry of Motor Vehicles to validate registration plates for the coming year, can easily become obliterated by the tossing up of sand and salt from roadways this time of year.

It's best to check them daily to be sure they are visible in order to prevent a Registry inspector from inconveniencing a motorist to insure the decal is there and the motor vehicle being operated under proper regulations.

A slight inconvenience, but one which takes but a few moments.

The American Telephone and Telegraph Co., according to the Merrimack Valley Works Newsletter of the Western Electric Co., will begin work this spring on a three and one-half million dollar overseas operating center in Denver, Colorado.

The reason for the new structure is the increase in overseas calls which totalled 15,000,000 last year and is expected to be 140,000,000 by 1980.

In the same respect, or projection, the A.T. and T. long line cable division has opened a direct cable to Russia this month between here and the Communist country. Reason: a three month

experiment in improving service between the two countries expected to boost by half, the present 20 or 30 calls per average business day between the two countries.

Reliving the days of a bygone era, a snow train is scheduled to run to North Conway on Feb. 21.

Joseph F. LaJoie, 22 Stevens St., Methuen is in charge of the operation in the local area.

The train will leave Boston's North Station at 8:30 a.m., Andover at 9:07 a.m., Lawrence at 9:15 a.m.

Meals and snack bars will be available on the train.

For a single day, local devotees of the good old days will have the chance to relive those famed Sunday treks to the slopes whether it was for skiing or just a day of enjoyment and recreation.

From the 50 year anniversary edition of the Andover League of Women Voters bulletin, comes information that many years ago league members locally entertained young ladies working in factories and assisted them with educational needs.

The girls were invited for dinner and entertainment following their lengthy hours in the mills and given every assistance possible in obtaining a proper education.

Unit meetings, as are scheduled by the present league members, were also conducted then, but on a once a month basis during the winter, or in an apple orchard in the spring.

It may never have occurred to most people that noise is a form of air pollution, but it is. But realizing this or not, most people are aware that our environment is a very noisy one, and becoming worse all the time. Most of the noise is caused by the broad area known as transportation ... the buses, trains, subways, aircraft, automobiles, motorcycles, motor boats, etc. Speaking of motor boats ... remember the days when people used to go to a mountain lake for peace and quiet, for a restful weekend or vacation of fishing, swimming, canoeing or rowing, and napping? Try it now ... it takes only one "zoom happy" motor boater or water skier to ruin it for everyone. And, of course, the smaller the lake the bigger the boats and motors ... one might as well be the biggest frog in a small pond than the smallest frog in a big pond.

Registrar McLaughlin says: "In bad snow storms there's one sure way to avoid an automobile accident. Leave your car in the garage and use public transportation."

Course In Antiques

The Hammond Museum announces a five week course "Collecting Antiques" which will be conducted weekly in the great hall of the Hammond Museum, Hesperus Avenue, Gloucester. The class will meet on Wednesday mornings, 10 to 12 noon, on Feb. 4, 11, 18, 25 and March 4.

The course will include the fol-

lowing subjects: What is an Antique; Auctions and How to Buy; Early American Furniture; Pewter and Silver; Aspects of Identification; Comparison of Values. Antique pieces will be exhibited and discussed in class.

During one of the classes, several of the early American rooms of the Hammond Castle will be shown.

Mrs. Lucille Blackwood, member of the Art and Antique Deal-

er's League of America, will conduct the course. Those interested in enrolling or obtaining further information, should write the Hammond Castle, Hesperus Avenue, Gloucester.

One Man Show Opens Today

Bill Jacobson

The lumber-driftwood and plexiglass sculpture of Bill Jacobson comes to Abbot Academy's John-Esther Gallery for a one man show, following a highly successful two-man show at Boston's New City Hall. The exhibit of large construction begins today and will be on display through Feb. 11.

Jacobson is a founding member of the Boston Studio Coalition who opened his studio to the public last January, and several of his large works were shown in last May's Institute of Contemporary Art's exhibition.

This is his first one-man show since he began adding plexiglass to his constructions of "found" wood -- which he defines as "industrial waste transformed by the sea."

He calls it no contradictions that his images and visual designs are drawn from the common twentieth century urban, industrial environment. . . "My forms grow out of the contradiction I feel between our natural environment and our technological environment. I want to bring the two together in a genuine synthesis. The artist

mediates between nature and the new technology."

Stephanie Perrin, Curator of the John Esther Gallery, said the Gallery welcomed the public to the exhibit, which is on view seven days a week, from 9 to 5, Monday through Fridays, and from 2 to 6 p.m. on Saturdays and Sundays.

Postal Reform Discussion At Merrimack

"The Role of Technology in Postal Reform" will be discussed by Assistant Postmaster General Harold F. Faught at the Jan. 19 meeting of the Merrimack Valley Institute of Electrical and Electronics Engineers at 7:30 p.m. in alumni hall of McQuade Library, Merrimack College, North Andover.

A pre-meeting dinner will be offered in the President's Dining Room of the Student Union Building at 6 p.m.

Mr. Faught was general manager of Westinghouse's Astronuclear Laboratory in Pittsburgh, Pa. when he was named by President Nixon to be Assistant Postmaster General for Research and Engineering. Mr. Faught had been with Westinghouse for 21 years, joining the firm as a junior design engineer in the aviation gas turbine division in Philadelphia and Kansas City. He was named general manager of the Astronuclear Laboratory in August, 1968.

Mr. Faught received a bachelor's degree in mechanical engineering from Cornell University and a Masters degree in the same field from the University of Pennsylvania. He has also received a certificate in advanced management from Harvard University. He is a member of the American Nuclear Society, the National Industrial Security Association, the Atomic Industrial Forum, and the American Institute for Aeronautics and Astronautics, and is a registered professional engineer in Pennsylvania.

At the IEEE meeting, Mr. Faught will discuss the role of technology in Postal Reform and the advances in automation such as machine reading of address information, electronic and fluidic systems for sorting, and electronic duplication of written material, and voice recognition systems that have been made in that area. For information concerning the meeting or for dinner reservations call Merrimack Electrical Engineering Dept.

School Committee Candidate

Leo F. Griffin

Leo F. Griffin, 34, has announced that he is a candidate for the school committee.

Mr. Griffin is a senior EDP Internal auditor with American Mutual Liability Insurance Company which is located in Wakefield. For more than the last two years, his specialization has been auditing

the development and maintenance of computer systems. Prior to that, he was employed as a Senior Internal Auditor by the United States Army Audit Agency for five years. During those years he reviewed and evaluated various Army accounting, budgeting, supply, maintenance, payroll, training, etc. systems and procedures.

Born in Boston, Mr. Griffin attended Boston schools. He graduated from Boston University's College of Business Administration and is presently a part-time candidate for a master's degree in Business Administration at Northeastern University. He expects to complete his requirements during this summer. Prior to attending Boston University, Mr. Griffin served four years with the United States Air Force installing telephone systems in Europe, North Africa and Turkey.

He is a member and chairman of the Electronic Data Processing (EDP) Audit Committee of the Institute of Internal Auditors (New England Chapter). He is also a member of the American Accounting Association, Insurance Audit Group, Andover Service Club, and West Andover Community Association.

During November 1968 he addressed the American Management Association in New York City concerning, "Developing effective

systems for EDP audits and controls." His wife, the former Nancy Ann Corey, taught the first and second grades at the South School for five years.

They live at 268 River Road. They have a son, Michael aged 3 1/2 and a daughter, Kathleen aged 1 1/2.

Mr. Griffin said he believes he can make a contribution to the school committee with his financial background. He thinks it is essential for someone with financial expertise to be a committee member.

Dana's Retains Top Spot By Forfeit

Dana's, top team in the Thirty And Over Basketball League, got a 'free pass' in the sixth game of the season. They won the game by forfeit when the Pick-Ups didn't show. Dana's is still undefeated.

In last Thursday's contests, Dasa won over the Sweepers 49-19. Williams was the big scorer for Dasa. His third quarter effort made the difference with a score of 12 for the final whistle.

The Strobes two man scoring aces for the evening, Lecowski and Leclair, accounted for two thirds

of the team's 47 points. The Padres made their biggest effort in the fourth quarter, but it just wasn't enough. Their final score was 31 points.

It was also the Hornets over the Falcons by 54 to 29. Big man on the court was Freitas. His 17 points made a big difference for his team.

Double Your Christmas Gift Cash! Invest In Bay State's New . . .

Golden Growth Bonds

Investments go up and investments go down. Now Bay State Merchants National Bank introduces the Golden Growth Bonds that just grow and grow. The annual interest rate guaranteed and compounded daily is five percent . . . no matter what the stock market does.

You don't have to be a big investor, you can buy a \$25.00 bond for as little as \$12.50. But if you are a big investor, here's your sure thing — \$12,500 gets you a \$25,000 bond.

(Naturally, there are sizes in between)

The point is, that you double your money in less than 14 years. If you can't wait that long, or if you need it sooner, you can redeem your bond on any three-month anniversary of its issue date, or within ten days after. You still get the full five percent interest. But the wise investor will hold the Golden Growth Bond until it matures in 13 years and 316 days. You won't get rich quick, but you can't find a safer investment.

Girl's Gym Team Wins Second Meet

The Andover High School Girl's Gymnastic team won their second consecutive meet of the season yesterday against Burlington.

The final score was Andover 54.6 and Burlington 50.2.

The high scorers of the meet in Floor Exercise were Terry Grahame, Burlington; second was Brenda Andruske, Burlington; third was Linda Young, Burlington; and fourth was Kathy Krauss of Andover. Suzanne Kirk of Andover placed first in Vaulting; second was Elaine Enos of Burlington; while Sue Hannigen of An-

dover placed third and Kathy Krauss of Andover placed fourth. On the Balance Beam Jeane Sullivan of Andover placed first; Elena Benishin of Burlington placed second; Ann O'Reilly of Andover placed third; and Sally Gorden of Burlington placed fourth.

In the last event, the Uneven Parallel Bars, Andover took all four places with Suzanne Kirk taking her second first of the meet; Kathy Krauss placed second; Sue Trumbore third; and Carol Porter placed fourth.

The girl's next meet will be against Masconomet at Masconomet at 3:15 on Jan. 20. Their next home meet will be against Brookline, Jan. 28.

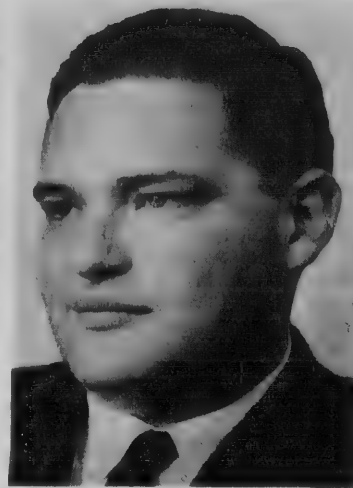

Heart Fund Chairman

Mrs. Theresa M. Amore

Mrs. Theresa Manzi Amore has been named general chairman of the 1970 Andover Heart Fund campaign, it was announced, by State Auditor Thaddeus "Ted" Buczek, general chairman of the Northeast Chapter, Massachusetts Heart Association's 1970 Heart Fund Campaign. Mrs. Amore and her daughter, Francine Michelle, a senior at Abbot Academy, reside at 250 North Main St.

Mrs. Amore, who is the proprietor of the Sonotone Corporation in Lawrence, attended Boston University and the Emerson College Speech and Hearing Institute. She belongs to several organizations that are related to her field. She is on the membership committee of the National Society of Hearing Aid Audiologists, secretary of the Massachusetts

Dr. Richard A. Katz

Dr. Katz Will Seek Re-Election

School Committee Chairman Dr. Richard A. Katz will seek re-election to the School Committee in March.

"It's been an educational and a rewarding experience for me, and in this period of transition with the new administration, which I am partly responsible for bringing to Andover, I feel some obligation to continue," Katz told the TOWNSMAN.

He said these reasons overcame the disadvantage of the post's heavy time demands and the attractive temptation of having more time to spend with his family.

Hearing Aid Society, and affiliated with the Hearing Clinic of St. Augustine's School in Andover. She is listed in the 7th Edition, Marquis Encyclopedia Who's Who of American Women under the listing, "Business Executive, Hearing Consultant." Beginning her business -- 1954, she now has offices in Lawrence and Haverhill. Mrs. Amore is also active in many civic and community organizations, including: the Democratic Women of Merrimack Valley, and the Emblem Club. She holds the office of Secretary of the Sales Executive of Merrimack Valley.

The annual Heart Fund Campaign begins on Feb. 1 and reaches its peak on Heart Sunday, Feb. 22.

BUDGET

(Continued from Page One)

the coming year.

Of the \$803,000 increase, Dr. Seifert said, there was an already built-in cost of \$317,000, due to new personnel added to the system last year, as well as increments earned by the professional staff during the year.

During the preliminary budget discussions, members of the Finance committee sat in with the groups, thus gaining an insight into the town's education budget and possibly eliminating lengthy discussion periods at a later date when the FinCom makes its final perusal of the school department financial requests.

The school committee plans to go over the budget item-by-item in evening meetings next Tuesday, Jan. 20 and the following Monday, Jan. 26, for explanation and justification.

But it was obvious Tuesday that the board was delighted to see a budget which had already undergone considerable refinement, and whose total increase over last year's budget ran counter to the prevailing inflationary trends.

Their main request was for grouping together of all expenditures for each department, so that the budgeted funds for each department could be accurately ascertained. Chairman Dr. Richard A. Katz noted, for example, that audio-visual expenditures cropped up in several places in the budget.

The committee also wants to know "what's in the closet" in the way of left over supplies, scholar's supplies, home economics and art supplies. . . and the like before approving their expense budgets. Member William King also advised changing the name of one item from "multi-sensory media" to a more garden-variety name, if the school department wanted town meeting to swallow it.

Preliminary discussion of school operation and maintenance expenses revealed that heating costs were high at Bancroft, due to the use of a #2 oil burner, necessitating use of domestic (#2) oil instead of #5, the cheaper industrial grade. The school department did not know of the substitution of the #2 burner until it was in. This elicited such biting witticisms by soon-to-retire committeeman William A. Doherty on building committees, a favorite target of his, that his colleagues declared him in fine fettle, and top form.

The committee questioned whether the town would do well to hire its own experts for its electrical and plumbing maintenance and repair as suggested by former Town Manager Richard Bowen, instead of fighting exorbitant service contracts in these systems.

ANNE BRADSTREET

(Continued from Page One)

poems are concerned mainly with her love for her family, such as "To My Dear and loving Husband," "I had eight birds hatch in one nest," "To the Memory of my dear and ever honoured Father Thomas Dudley," "Upon my Son Samuel his going for England, 1657," "In memory of my dear Daughter in Law," and "In memory of my dear grandchild Elizabeth Bradstreet."

This new edition of the poems will be available at Memorial Hall Library and Stevens Memorial Library in North Andover. It will also be for sale at the Andover Book Store.

All of the poems in the book are printed in their entirety with the exception of "The four Monarchs," which is of extreme length and of minor poetic interest, according to the author.

In his appreciation for assistance in the collection of the works of America's first poetess, Mr. Hutchinson comments on the assistance of Buchanan Charles of North Andover, a former trustee of Stevens Memorial library and currently in charge of the Anne Bradstreet history at that library.

Dr. Sparks, Miss Palmer Featured At Valley Meeting

The Merrimack Valley Association For Children With Learning Disabilities will meet on Monday evening, Jan. 19 at 7 p.m. at the Ballard Vale United Church, Ballardvale.

Program for the evening is titled "Developing Learning Readiness Through Movement and Musical Activities." This will be a Part One, Jan. 19 of a two-part session which will be held on Monday, Feb. 9.

Featured on the program will be Dr. Raymond E. Sparks, head of the Physical Education Department, Lowell Technological Institute, Lowell and Miss Judy Palmer, music specialist, Andover Public schools. Parents are requested to bring their school-age children to participate in the program. Sneakers and casual clothing are desirable. Note starting time of 7 p.m. for Monday's program only due to children participation.

Dr. Sparks will demonstrate developmental sequence of perceptual motor activities. Miss Palmer will present musical activities stressing rhythmic and movement. Dr. Sparks, who is president of the Merrimack Valley ACLD, is also summer director of a Diagnostic and Prescriptive Camp for Children with Special Learning Needs at Spring Lake Ranch in Cuttingsville, Vt. For a period of five years Dr. Sparks was Director of Health and Physical Education for United States

Dependents Schools covering nine countries, 250 schools, 120,000 children and 7000 teachers throughout Europe.

Miss Judy Palmer was music specialist on the Vermont Camp Staff with Dr. Sparks this past summer and has been especially effective in working with school children in Andover. Miss Palmer also worked in the Tewksbury schools.

The February 9 meeting will be a presentation and discussion of the topic by speakers of the demonstration. It will be held at the regular 8 p.m. hour at the Ballard Vale United Church.

An executive board meeting was held last Monday evening at the home of Mr. and Mrs. James Loscutoff. Present were: Dr. Raymond E. Sparks, Mrs. Robert Sanborn, Mrs. C. Russell Lawton, Mrs. Neal Mitton, Martin Sanborn, Mrs. Charles Leigh, Mrs. Richard Page, Mrs. James Loscutoff and Dr. Edward Acton.

The National ACLD, of which the chapter is an affiliate, announces the seventh International Conference of the Association for Children with Learning Disabilities to be held Feb. 12-13-14, 1970 at the Bellevue Stratford Hotel, Philadelphia Pa. A large representation of chapter members are planning to attend sessions to hear prominent speakers discuss vital topics related to children with dyslexia or special learning disabilities.

Yankee Bookstall Seeks Donations

The fifteenth annual Yankee Bookstall to benefit Children's Hospital Medical Center in Boston, is now seeking gifts of books from Andover residents for its sale.

Books of all types, and for all ages, are needed, even textbooks, if they are fairly recent. Donors should not hesitate to offer old books (except old textbooks) since

they are often the most desirable, if in saleable condition.

Books not sold at the Yankee Bookstall are given to prison libraries, or other centers where the book you no longer need may be a treasure.

Any Andover resident who has books to offer may contact Mrs. James H. Grew, 16 Hidden Field, or Mrs. Samuel L. Lowe, 18 Oriole Drive.

Engagements

Cheryl Ann Birch

Engagement Announced

Mr. and Mrs. John L. Birch, 37 Tewksbury Street, announce the engagement of their daughter, Cheryl Ann, to Spec. 4, Ray A. Campbell son of Mr. and Mrs. Roy E. Campbell, 5001 Stringfellow Road, Centerville, Va.

Miss Birch is an Andover High school graduate and is employed at Liberty Mutual Insurance Company.

Mr. Campbell is a W. T. Woodson High school graduate and is serving with the U. S. Army in Asmara, Ethiopia.

Wedding plans are indefinite.

Miss Roehrig To Study In Paris, London

Students from Andover are among 70 Hollins College, Va. students who will spend the next four weeks studying abroad.

Miss Catharine Roehrig, daughter of Mr. and Mrs. Albert K. Roehrig of 22 Hidden Field, will be in Paris and London as part of a group tour studying ten operas under Hollins music professor, Miss Anne McClenny.

Miss Roehrig is a graduate of the Pingree School in South Hamilton.

Nancy A. Dery

Miss Dery Is Engaged

Mr. and Mrs. Roger A. Dery of 98 Haverhill St., announce the engagement of their daughter Nancy A. to Philip R. Russell son of Mr. and Mrs. William H. Russell of 6 Shipman Road.

Miss Dery is a senior at Andover High school and Mr. Russell is a graduate of Andover High school and is presently attending Massachusetts Trade Schools in Everett.

Wedding plans are indefinite.

The four-week study period is part of Hollins' revised curriculum in which the academic year is divided into three semesters. During the 12-week spring and fall terms, students concentrate on four, as opposed to the former five, courses. In January no classes are scheduled and students select a single topic which they explore in depth. Each student works under the supervision of a faculty adviser.

Miss Lucinda Kittredge, daughter of Mrs. Marjorie V. Kittredge of Boxford, and Miss Priscilla Harris, daughter of Col. and Mrs. Edward M. Harris of 311 South Main St., are among the approximately 350 students out of Hollins', 1,000-member student body working off campus during the short term.

A project of another Andover student is "Studies in Renaissance Form," the topic of Miss Mary Nancy Bradford, daughter of Mr. and Mrs. Gerard Bradford, Jr. of 273 South Main St.

Miss Kittredge is a graduate of Dana Hall school in Wellesley, Miss Harris a graduate of Andover High school and Miss Bradford graduated from Country Day school of the Sacred Heart in Newton.

On Dean's List

H. F. Dionne, dean of students, has announced that Mr. Garry Stedman, 78 Lowell St., has been elected to the Dean's Honors List for outstanding scholastic accomplishment during his last semester, at Northeast Institute of Industrial Technology.

Mr. Stedman is majoring in Drafting Technology.

Rainbow To Install

Andover Assembly No. 115, International Order of the Rainbow for Girls will hold their Installation of Officers, Thursday evening, Jan. 22, at 8 p.m. in the Masonic Temple.

The Installation will be open by invitation or by credentials only.

Beverly Moore, daughter of Mr. and Mrs. Herbert W. Moore, Jr. of 35 Dufton Road will be installed as worthy advisor.

Susan Norton, daughter of Mr. and Mrs. Howard L. Norton, Jr. will be installed as worthy associate advisor.

Other Officers to be installed are: Peggy Ann Bove, Charity; Beth Batchelder, Hope; Isla Grant, Faith; Marsha Hall, recorder; Catherine Waldron, treasurer; Jane McEwen, chaplain; Cheryl Keamy, drill leader; Diane Prescott, love; Lisa Oldfield, religion; Susan McGrath, nature; Cynthia Zahoruiko, immortality; Linda Jehl, fidelity; Jane Ketchen, patriotism; Nancy Paterson, service; Janet Guptill, confidential observer; Lorie Steibitz, outer observer; Caron Lyman, musician; Ruth Eichner, choir director; Marjorie Neil, American Flag bearer; Alice Pollard, State Flag bearer; Ann Marie Maddox, Christian Flag bearer; Deborah Moore, Rainbow Flag bearer; Cynthia Cail, Page in the East; Rosemary Elder, Page in the West; Barbara Fisk, Jr. P.W.A., Big Sister; Ann Marie Maddox, Deborah Moore, Marjorie Neil, Regalia Committee; Peggy Ann Bove, Linda Crotch, P.W.A., Diane Prescott, Cynthia Zahoruiko, racism committee; Lorie Steibitz, keeper of the Attendance book.

Choir: Aida Abboud, Paula Bowman, Kay Ellen Maddox, Leslie Pettorutto, Carol Rokes, Meridith Shaw, Deborah Towne, Keri Wilson.

The Installing Suite: Linda Crotch, P.W.A., Grand Representative to Alabama of Grand Assembly; Installing Officer: Phyllis Thomes, P.W.A., Installing Recorder; Cathy Urquhart, P.W.A., Installing Chaplain; Barbara Fisk, Jr. P.W.A., Installing Marshal; Caron Lyman, Installing Musician; Betty Ann Kerr, Lawrence Assembly No. 15, Installing Soloist.

Mrs. Pearl Crompton, P.M.A., Lawrence Assembly No. 15, will install the Mother Advisor and Advisory Board.

Following the Installation refreshments will be served and reception to Installing Suite and Line Officers will be held in the Banquet Hall.

Family Living Series To Start

The first in a series of meetings to be presented on "Family Living and Human Sexuality" will be held on Jan. 22 at 7:30 p.m. in Andover High School. Curriculum plans will be available along with discussion of the materials to be used. Parents and interested citizens are cordially invited to attend.

Sure—things will come your way—but first you must remove the obstacles.

Silver Jubilee Observed

Mr. and Mrs. Donald A. Spinney

Mr. and Mrs. Donald A. Spin-
ney, 18 Pasho St., of Andover,
celebrated their 25th wedding an-
niversary Dec. 26. A surprise
party was given in honor of the
couple at their home Dec. 20 by
their daughters; Miss Donna Spin-
ney of Andover and Mrs. Judith
Johnson of San Jose, Calif.

Mrs. Spinney, the former
Mildred Forsythe, is the daughter

of Mrs. Sarah Forsythe and the
late Mr. William Forsythe of Maple
Avenue. She is employed as a
secretary for the West Junior High
School Guidance Department.

Mr. Spinney son of the late Mr.
and Mrs. Charles Spinney of Chest-
nut Street, is employed as an In-
surance Adjustor for the Andover
Company's in Shawsheen.

Hundreds Join In Birdwalk

Perhaps it is the scarcity of
opportunities to pay one dollar
for the privilege of starting out
at dawn in zero weather and spend-
ing the day exposed to frostbite
that makes the annual Christmas
bird count so appealing.

Anyway, several hundred per-
sons cheerfully paid the price in
money and discomfort during the
recent bird count period, and we
were among them. The dollar is
collected, of course, to pay for
later publication of the bird
records -- it being most un-
likely that anyone who did not
participate would purchase the
document.

Since the inland New England
count in which I participated hap-
pened on New Year's Day, the fact
that the temperature when it began
was zero had special compensa-
tions. If one can get out of bed,
exposure to weather like that tends
to straighten out fuzziness engen-
dered by the previous evening's
festivities. Indeed, one soon for-
gets the lack of sleep associated
with New Year's Eve.

For those with saner hobbies,
it should be explained that inland
New England birding in deep win-
ter -- as opposed to coastal bird-
ing -- has a certain lack of glamor.
There is less hopeful speculation
that the winds from Greenland may
have blown down some exotic
winged creature. It's more a
matter of recording every chick-
adee, starling or other common
bird that one may encounter.

Nor is there any hope that your
team may count more than the
200-plus species that birders in
Florida and California will be
scoring. The only competitive
chance that one has in New Eng-
land is the possibility that teams
in your area may count more white-
breasted nuthatches or blue-jays,
or similar birds, than are counted
in any other section of America.

It is, of course, the commonness
of some of the birds common to
the region that produces national
records. We tend to forget that

a bird like the blue jay or the
white-breasted nuthatch is not
common everywhere! There are
sections in America where our
most common birds do not exist.
Birders from those sections often
surprise us by asking for recom-
mendations of possible sites where
one might see a bird which we
see so often that we almost con-
sider it a nuisance. For instance,
a westerner sometimes asks where
he might see such a "rare"
bird -- to him -- as the cat-
bird. He asks in all the ignorance
we exhibit in inquiring from him
where we might find a Gila Wood-
pecker.

Any inland birding team working
in the Christmas count knows in
advance that its total of species
for the day probably will not ex-
ceed 35 -- and more probably will
fall far short of that. So there is
little glory in the undertaking.

Gym Team To Give Exhibition

The internationally known Exhi-
bition Gym Team of Springfield
College will perform on Friday
evening, Jan. 30, at 8 p.m. at the
new Lowell Tech. gym. The team
will not perform in Andover this
season.

The Andover YMCA will arrange
to serve its members and parents
by providing a bus. Interested boys
and girls 10 years of age and over
may purchase tickets at student
rates at the YMCA on a first come
basis. Parents will also be ac-
commodated and children under
10, but of school age, may attend
if accompanied by parents.

Others wishing to attend, pro-
viding their own transportation,
may secure tickets at the YMCA.
High school students, including
gym team members, may obtain
their tickets through the office of
the Athletic Director, Donald Dunn.

Film On Sweden To Be Shown

A vividly beautiful film on Swe-
den will be presented, and narrated
in person, by photographer-
lecturer John Douglas Bulger. The
film will come to Boxford's Mas-
conomet Regional High school on
Wednesday evening, Jan. 21 at 8
p.m.

Over 50 percent of Sweden is
covered with evergreen timber;
in that timberland roam gigantic
moose and over 50 species of birds.
Sarek, the largest wild area in
Europe, is in Swedish Lapland,
and Bulger treats his audience to
a helicopter ride over its crags
and glaciers, some of the world's
most unusual scenery.

Wild ponies on Gotland, Sweden's
biggest island, contrast with a
filmed cruise by passenger
steamer clear across Sweden via
the century-old Gota Canal. The
ride is presented uniquely through
the eyes of eight-year-old Pia
Westin from Upsala.

Other unusual scenes of Swed-
ish life and such breath-taking
photographic techniques as the
flight of the Caspian tern filmed
in slow motion round out the pic-
ture -- a lovely, exciting portrait
of the land and its creatures.

The film-lecture is presented
jointly by the Massachusetts and
National Audubon Societies. Ad-
mission at the door.

Sanitary Landfill Recommended

A committee appointed in 1968 to study the problem of solid waste disposal, has submitted a report to the selectmen, recommending that the town adopt a proper sanitary landfill operation and acquire additional land at the present dump site.

The report, presented Monday night by Joseph W. Odum, chairman, and his committee, is now under study by the selectmen and Town Manager J. Maynard Austin.

The recommendation included the acquisition of about 40 acres of land adjacent to the dump and owned by Robert Park. This proposal ran into some difficulties, however, when it was determined that portions of the land are part of the Fish Brook watershed and may not be useable for sanitary landfill purposes.

The committee has recommended that the sanitary landfill site be operated as the direct responsibility of the town manager with advice from the Board of Health.

Assurance of an ample supply of cover material is also mandatory, the committee states.

A proper sanitary landfill operation requires a six foot layer of waste disposal being covered with two foot gravel cover. This is done in steps until a certain height

is reached. Compaction through the cover results and leads to rapid decomposition, the committee reports.

The landfill area would be covered every day and combined waste and garbage could be disposed of with no problems resulting from rodents, the committee states.

The members warned the selectmen, finance committee members and town manager, that, in essence, their recommendations were of a stop-gap nature since land is running out at the site and a regional committee is currently studying the problem in the Greater Lawrence area.

Among other recommendations were the locating of the exit and entrance gates together to avoid confusion at the present site, and fully enforce restriction that only Andover generated waste be deposited in the dump area.

Restriction of the number of dump keys must be made with keys available only to the attendant, fire department and manager.

Expansion of facilities, such as the roadways and garage and locker room facilities is also recommended.

The committee advises that the present system of private pickup of waste should be continued and not taken over by the town.

They recommend that homeowners use multi-ply high wet strength bags for storage of waste and garbage to be picked up on a weekly basis by the private contractors.

They suggest that the town sell the bags and also that a service charge be made on private contractors, commercial and industrial plants using the facility.

That the dump is extensively used was attested by the report that as many as 3,000 private cars have been counted at the dump on a Saturday.

The town will seek \$25,000 at the annual town meeting in March for fill for the dump for the coming year.

Chairman Odum felt that the cubic yardage estimated to be required in 1970, may require additional funds.

It is estimated that in 1970 there will be 341,640 cubic yards of waste deposited at the dump, requiring 5.3 acres and 21,400 cubic yards of fill.

INDUSTRY

(Continued from Page One)
and turned over to the town treasurer.

The nearest to that amount came in 1967, when \$28,903 was collected. In 1968, the figure read \$24,411.

As mentioned previously, new home construction dropped somewhat last year, with only 131 units authorized as compared to 148 a year ago. Total valuation of the new home construction in 1969 was estimated at \$3,509,700.

There were 200 permits issued for additions and alterations during the year, with an estimated value of \$471,655.

Other permits, many for swimming pools were also issued by Peatman during the year, totalling \$129,159.

Andover had been seeking industry for many years and apparently the allure of the community dawned during 1969, thus providing some ease for the local taxpayer.

As the new decade approaches there is still room for industrial expansion, particularly in the West Andover area, and apparently the Industrial Development Commission is working on expansion in this area.

Also being examined closely is the Lowell Junction area, where additional industrial complexes can be accommodated.

To accommodate both Raytheon and Gillette, the town provided sewer and water lines to the sites. Both extensions were part of the town's master plan, but were accelerated by the announcement that the industrial plants wanted to locate here.

BASSETT

(Continued from Page One)
water and sewer department, he has been serving as the town's representative on the Merrimack Valley Regional Pollution Abatement district.

Following submission of his letter of resignation, Bassett issued the following statement:

"I most sincerely hope that my resignation will not be construed as a sign of personal dissatisfaction with either the Town of Andover or any of my associates, because this, most emphatically, is not the case. A decision of this type could not be made in haste—it has been carefully considered. Those who have been well acquainted with me, in the past years, have often heard me express a personal desire to be putting my training to work in underprivileged communities, where clean water literally spells life and hope for the people therein. My resignation at this time will give me an opportunity to search for such employment and assist the town in obtaining a replacement."

OLDE ANDOVER

A new telephone system was installed in 1914. Under the new plan "Central" was reached by lifting the receiver from the hook, rather than ringing a bell.

Try The Shawsheen Service For Your Mid-Winter Check-Up

Hazardous driving conditions during the winter months make it particularly important to keep your car in top operating condition during this time. Drive in for a mid-winter check-up soon at Shaw-sheen Service, 200 Andover Street in Ballardvale. William Miller and Don Tynning, owners and operators of Shaw-sheen Service, have recently completed construction of a brand new building and they are ready to serve old and new customers at this new location.

Both Bill and Don have had many years of experience as mechanics and are well qualified to care for your car. They urge drivers not to let small problems go, as they can lead to larger, more involved,

and more expensive repairs. Shaw-sheen Service features a full line of dependable American products, as well as complete auto repair service. They do all types of repair work, but specialize in auto electrical service which is at the root of so many automotive problems.

In addition, they carry a full line of tires and accessories to meet all your automotive needs and also feature prompt wrecker service. So if you have trouble on the road and need a tow, remember Shaw-sheen Service. If you are a member of A.A.A., you will appreciate the fact that Shaw-sheen Service offers official A.A.A. emergency service, available night and day. Shaw-sheen Service is also an official inspec-

tion station, so keep this in mind for spring inspection.

Get acquainted with Shaw-sheen Service soon. Make arrangements to have a thorough mid-winter check-up for your car to assure your family of safe winter driving. Or next time you drive through Ballardvale, stop at Shaw-sheen Service, right by the Shaw-sheen River, for gas or complete American service.

Enjoy the advantages offered by a modern facility, fully equipped to serve you better. For further information call Shaw-sheen Service at 475-9701, or stop in any time from 7 in the morning till 8:30 in the evening.

Essex, ss.

To ALICE A. SMITH of Andover in said County, and to her heirs apparent or presumptive.

A petition has been presented to said Court alleging that said person has become incapacitated by reason of advanced age physical

incapacity to properly care for her property and praying that JOHNE. BEANLAND of Andover in the County of Essex or some other suitable person, be appointed conservator of her property.

If you desire to object thereto, you or your attorney should file a written appearance in said Court at Salem before ten o'clock in the forenoon on the nineteenth day of January 1970, the return day of this citation.

Witness, JOHN A. COSTELLO, Esquire, First Judge of said Court, this nineteenth day of December 1969.

JOHN J. COSTELLO, Register
Dec. 31; Jan. 8-15

TOWN OF ANDOVER
PUBLIC HEARING

BROCKWAY, SMITH, HAIGH LOVELL CO. having petitioned the Board of Selectmen for a license to keep and store inflammables in the amount of 21,350 gallons as follows: --10,000 gallons gasoline and 10,000 gallons Diesel oil in underground tanks, 500 gallons Diesel oil aboveground, 50 gals. duplicating fluid, 100 gallons paint, 200 gallons anti-freeze and 500 gallons motor oil, on the land of the petitioner in the said Town of Andover, a public hearing will be held on Monday, January 26, 1970 at 7:30 P.M. at the Town House, in accordance with provisions of the General Laws relating thereto.

By order of the
BOARD OF SELECTMEN
IRVING O. PIPER, Town Clerk

REAL ESTATE

475-2002

ANDOVER

This is an extremely well maintained Cape only a few years old, nicely situated on a knoll on a wooded corner lot. The district is high-grade residential with comparable modern homes.

There is a living room, full dining room, modern kitchen, two bedrooms and bath on the first floor, one bedroom now being used as a den. On the second floor there are three bedrooms and two baths. All the rooms are spacious. Full basement and two car garage. School bus at the door. Convenient to routes 114, 125, 93.

At present prices for similar homes, we believe that this is one of the best buys in Andover at \$49,500.00.

BRADLEY REAL ESTATE

126 Main St., Andover. Tel. 475-2529

Andover in the County of Essex, praying that he be appointed executor thereof, without giving a surety on his bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Newburyport before ten o'clock in the forenoon on the twenty-sixth day of January 1970, the return

day of this citation.

Witness, JOHN A. COSTELLO, Esquire, First Judge of said Court, this twenty-ninth day of December 1969.

FIRE DAMAGE. A fire caused by wiring on the roof to prevent icing of gutters, caused considerable damage to the Timothy J. Scanlon residence on Summer street late Monday night. A corner of the roof where flames worked through the partitions is shown covered with tarpaper the morning after the fire.

Gutter Wiring Causes Blaze In Partitions

Fire caused considerable damage to the upper floor and roof of the Timothy Scanlon residence, 90 Summer St., late Monday night.

Firefighters, summoned by an alarm from box 482, at 10:34 p.m., worked several hours to extinguish the blaze which crept into the partitions and made attack on the source difficult in the sub-freezing temperatures.

Cause of the fire was listed as stemming from wiring on the exterior of the roof, applied to prevent icing up of gutters. The wiring apparently overheated, officials said, thus starting the fire underneath the shingles and the partitions.

Fire fighting operations were under the direction of Deputy Chief Albert J. Cole. Engines one from Central station, three from Ballardvale and ladder one from Central responded.

Salvage covers were placed on furniture on the bottom floor to prevent as much water damage as possible. The property owners assisted by neighbors carried several valuable items out of the house to abutting residents.

Local Grad Takes Over

An Andover High School graduate of a few years ago, is now in charge of all those Andover school lunches.

Armed with a food and nutrition degree and experience in the mass feeding techniques of the Stouffer Corporation, Andoverite Miss Alexandra Ratynski, 15 Barrington Drive, returns to her alma mater to try her hand at being the Andover School System cafeteria director. The school committee approved the young Andover woman's appointment as cafeteria director, on a trial basis until the year's end at a salary of \$7800.

Miss Ratynski graduated from the University of Maine with a bachelor of science in foods and nutrition in 1966. She had summer experience in feeding lots of hungry mouths as camp food director, and was employed from 1966 to 1969 by the Stouffer Corporation. Here she ran training programs on food preparation, was assistant food supervisor and finally head food supervisor for the company. She has also had experience in college food programs at MIT, with responsibility for purchasing and direction of food production and supervised kitchen personnel.

Fred Cheever Retires As Chairman

Gilbert B. Cromie has been elected new chairman of the Spring Grove Cemetery trustees.

A special meeting was held last week at the Hughes House Nursing home where former chairman, Fred E. Cheever, has been recuperating from a fall suffered several months ago.

Mr. Cheever, will continue to serve on the board along with Irving J. Whitcomb, who is secretary of the trustees.

Mr. Cheever has been a member of the trustees since 1928 and has served as its chairman for many years.

Due to his current illness, he felt that a new chairman should assume the duties.

At the meeting of the board a successor to Nelson Townsend, cemetery superintendent who is retiring this month was recommended and the name presented to Town Manager J. Maynard Austin.

Final Date For Warrant

Friday is the deadline for filing special articles to be considered for the annual town meeting in March.

All articles must be in the hands of the town clerk by 4 p.m. Friday.

Registration of voters for the annual town election will continue through Tuesday, Feb. 10, which is the final date for casting ballots and participating in the annual town meeting.
